

Dear friends / ffrendiau annwyl,

WALES IS NOW AT CORONAVIRUS ALERT LEVEL 2

Our risk assessment follows the advice of the Welsh government and we are as certain as we can be that we are operating in an environment that is safe for you and our staff.

We will need your help and patience to make this happen.

- We have kept the supply of sanitiser at our entrances and exits. Please use it whenever you arrive or leave and wash your hands whenever you use the toilet.
- No more than 6 people from an extended household are allowed at any one table excluding under 11s.
- 2m social distancing applies
- You must wear a face covering unless eating or drinking, unless exempt.
- We will continue to sanitise tables before and after use.
- Table service is mandatory, please wait at your table and we will serve you as efficiently as we can.
- You are legally required to track & trace using the code on the back of this sheet or on paper slips which we will provide (destroyed after 21 days and kept securely) if you do not have use of a smart phone.
- Please take advantage of setting up a tab for payment. The less exchanging of cards or cash is safer and will also speed up the process. Use contactless if possible.
- Always try and book a table if you're going to dine with us. We get quite busy during the 'traditional' eating times and we're open all day so why not have a more relaxed experience outside of the busier times?

*Things are not as fast paced as they once were,
please be tolerant. There may be a significant
wait for your freshly prepared food.*
