

Dear friends/ ffrindiau annwyl,

We're back inside!!

We have made a thorough risk assessment and we are as certain as we can be that we are operating in an environment that is safe for you and our staff.

However, our style of service is still slightly different for the moment and you will need to be patient and bear with us while we try our best to look after you.

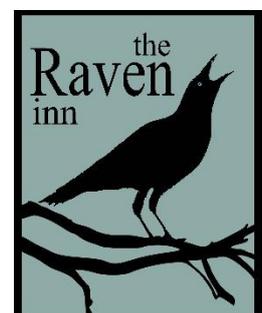

We will need your help to make this happen.

- You **MUST** wear a facemask when you are indoors unless sat at a table. This is a legal requirement.
- **Everyone** over the age of 16 is legally obliged to check in the old fashioned way with some parchment and a quill. We understand this is annoying but it is a legal requirement. We will destroy the information after 21 days. You can **ALSO** check in with the multi billion pound track and trace code on the back if you want to.
- Please wait for us to find you an available table where we will take your orders for food and drink. Bar service is not legally allowed for the time being.
- Please take advantage of setting up a tab for payment. The less exchanging of cards or cash is safer and will also speed up the process.
- Try and use cards for payment and use contactless if possible.
- The **RULE OF SIX** applies: A maximum of **SIX** people from six households can sit at one table (although children under 11 and carers don't count). Our company policy is that no more than 8 people can sit at any one table.
- Please don't move the chairs or tables. We've set them out so as to maintain social distancing as much as possible.
- We love kids but they can't run around like the 'good' old days. Please keep them in check.
- Always try and book a table if you're going to dine with us. We get quite busy during the 'traditional' eating times and we're open all day so why not have a more relaxed experience outside of the busier times?

Above all, try to R.E.L.A.X. Things are going to be a lot slower in our pubs for some time especially now that table service is mandatory so take the time to enjoy socialising (distantly).

Be nice to the staff and be nice to each other.

*Cheers / Iechyd da!*
